## **Action Plan Tool**

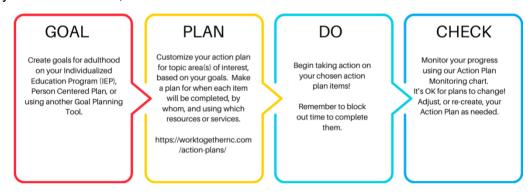

## How to Use

**GOAL** Create goals for adulthood on your Individualized Education Program (IEP), Person Centered Plan, or using another Goal Planning Tool.

**PLAN** Customize your <u>action plan</u> for topic area(s) of interest, based on your goals. Make a plan for when each item will be completed, by whom, and using which resources or services.

**DO** Begin taking action on your chosen action plan items! Remember to block out time to complete them.

**CHECK** Monitor your progress using our Action Plan Monitoring chart. It's OK for plans to change! Adjust, or re-create, your Action Plan, as needed.
