Benefits Seminar

Navigating the balance between work,
life, and benefits.

Here we go again!!! Join us for another informative session discussing how benefits pertain to individuals with special needs, whether you are working, seeking services or community assistance, or would like to have a better understanding of benefits in general. This seminar is open to Individuals who receive benefits and are currently working or are interested in working, caregivers, guardians, agencies, or those who may be seeking benefits in the near future.

Overview

- SSI- How working affects monthly benefits
- SSDI- How working affects monthly benefits
- Medicaid/Medicare- Overview of the recertification process and managing monthly earnings
- Work/Benefit Balance- Pros vs. Cons discussion
- Reporting monthly earnings- To who and when?
