

SENSORY FRIENDLY SCIENCE NIGHT

A **Science for All** Space

Friday, August 23, 2024

4:30pm - 6:30pm

Morehead Planetarium and Science Center

- ◆ Watch the **animated adventure** *Earth, Moon and Sun* in the Fulldome Theatre
- ◆ Attend a **Science LIVE!** show with fun science demonstrations at the Science Stage
- ◆ Explore **interactive exhibits** in the Gateway Gallery and Breakthrough Hub
- ◆ Create with hands-on **Tinker Time** activities in the Launch Lab

Online registration is required:
moreheadplanetarium.org/sensory-friendly-event

Your admission ticket includes all activities and a welcome kit.

This event is limited to 75 guests. It is a special opportunity for members and families of the TEACCH network and other similar networks. So that we may serve the intended audience, we ask that you do not share this flyer beyond these groups.
